TAX REVENUE COLLECTORS.

Mr. Newport said that the postal authorities in the United Kingdom are not allowed to open letters or telegrams, but that in the case of newspapers and third-class mail, the government has the right to search them. He pointed out that the postal authorities in the United Kingdom are not allowed to open letters or telegrams, but that in the case of newspapers and third-class mail, the government has the right to search them.

RESEARCH IN DETAIL.

While (Dom. Col.) stated that nothing was being done to encourage research in detail, he pointed out that the government was not doing anything to encourage research in detail.
